Ms. Shalynn Kellogg, Executive Director of The Housing Partnership (Walter F. Rodriguez/The Seen Shop)

The Housing Partnership’s Board of Trustees and its Search and Transition Committee are happy to announce that, effective May 15, Ms. Shalynn Kellogg has been appointed to the full-time, permanent role of Executive Director of the Housing Partnership. The Housing Partnership’s Search and Transition Committee brought on noted executive search firm DCM Associates to help them best find and evaluate candidates. The firm’s guidance in the process was invaluable and, upon completion of the process, both the Committee and Board of Trustees emerged confident in Shalynn’s leadership and ability to lead The Housing Partnership and its staff forward into this next chapter of growth for the organization.

Ms. Kellogg joined the organization as Interim Executive Director in February of this year, bringing with her 20 years of invaluable leadership experience working in housing and community and economic development. Over the course of her career, she developed housing counseling programs for community action agencies and housing entities and launched a Community Development Financial Institution (CDFI). Most recently, Ms. Kellogg served as the Diversity Relations Director at the Idaho Hispanic Foundation, where she worked in underserved communities building economic development initiatives to create community well-being. An NCHCEC-certified (NeighborWorks Center for Homeownership Education and Counseling) financial counselor and coach, Ms. Kellogg specializes in all phases of housing counseling, including foreclosure mitigation. As Interim Executive Director of the Housing Partnership, Ms. Kellogg spent the past few months helping to guide the dedicated staff of the Partnership in maintaining its level of excellence serving our community, and ensured all organizational operations continued to run smoothly. Now, as Executive Director, we look to Ms. Kellogg’s leadership as the organization enters a strategic planning process in 2024 that will guide the organization’s next several years of growth.

Amanda Parker, Chair of The Housing Partnership’s Board of Trustees shared, “We are delighted to expand Shalynn’s role with the Housing Partnership beyond the interim period. After doing our due diligence and considering all potential applicants for the permanent role, we were pleased to see her expertise, compassion, and commitment to the work shine through the search and interview process. I look forward to continuing our work together on behalf of our dedicated board, hardworking staff, and our most deserving clients.”

The Housing Partnership is excited to move forward in this new chapter as a shared community and will continue to keep their community and other critical partners in mission updated on happenings within the organization.
